experience renders Deloitte Tax well-qualified and able to provide services to the Debtors during the pendency of these chapter 11 cases in a cost-effective, efficient, and timely manner.

3. Deloitte Tax provides, and has provided, tax advisory services in numerous large chapter 11 cases, including: *In re Wheel Pros, LLC*, No. 24-11939 (JTD) (Bankr. D. Del. Nov. 6, 2024); *In re Joann Inc.*, No. 24-10418 (CTG) (Bankr. D. Del. Apr. 15, 2024); *In re PacificCo Inc.*, No. 23-10620 (KBO) (Bankr. D. Del. Deloitte Tax's services fulfill an important need and are not provided by any of the Debtors' other professionals. Accordingly, Deloitte Tax is both well-qualified and able to provide the services for the Debtors during these chapter 11 cases in an efficient and timely manner.

3. In addition, since January 2018, Deloitte Tax has provided certain tax advisory services to the Debtors, including in connection with their prior chapter 11 cases. In providing such services to the Debtors, Deloitte Tax has become familiar with the Debtors and their businesses, including the Debtors' financial affairs, operations, and related matters. Having worked with the Debtors' management, most notably in the Debtors' prior chapter 11 cases, Deloitte Tax has developed relevant experience and knowledge regarding the Debtors that will assist it in providing effective and efficient services during these chapter 11 cases and makes them particularly well-suited for retention. Accordingly, Deloitte Tax is both well-qualified and able to provide the aforementioned services for the Debtors in these chapter 11 cases in an efficient and timely manner.

Disinterestedness

A. *Background Information Related to Deloitte Tax.*

4. Deloitte Touche Tohmatsu Limited (“DTTL”) is a UK private company limited by guarantee. DTTL itself does not provide services to clients. Each of the member firms of DTTL (each, a “DTTL Member Firm”) is a legally separate and distinct entity. The DTTL Member Firms are primarily organized on an individual country or regional basis and operate within the legal and regulatory framework of their particular jurisdiction(s). The DTTL Member Firm structure reflects the fact that the DTTL Member Firms are not affiliates, subsidiaries, or branch offices of each other or of a global parent. Rather, they are separate and independent firms that have come together to practice under a common brand and shared methodologies, client service standards, and other professional protocols and guidelines. DTTL Member Firm partners and/or principals are generally the sole owners of their respective DTTL Member Firms. There is no overlap with respect to a partner’s or principal’s ownership in its respective DTTL Member Firm and any other DTTL Member Firm. Profits are not shared between or among the DTTL Member Firms.

5. In the United States, Deloitte LLP is a DTTL Member Firm. Like DTTL, Deloitte LLP does not provide services to clients. Rather, Deloitte LLP has operating affiliates that perform services for clients, including Deloitte Tax, Deloitte & Touche, Deloitte Consulting LLP (“Deloitte Consulting”), Deloitte Financial Advisory Services LLP (“Deloitte FAS”), and Deloitte Transactions and Business Analytics LLP (“DTBA”) (Deloitte LLP and each of the foregoing, and together with their respective direct and indirect subsidiaries, collectively, the “Deloitte U.S. Entities”). The partners and/or principals of each operating affiliate of Deloitte LLP are owners of their respective affiliate along with, directly or indirectly, Deloitte LLP. Generally, each affiliate’s respective partners and principals are also partners and principals, as applicable, of Deloitte LLP.

B. *Conflicts Check Process, Generally.*

6. For the most part, the conflicts searches conducted by Deloitte Tax involves checking client and other databases of the Deloitte U.S. Entities. Given the separateness of the various DTTL Member Firms as described above, the Deloitte U.S. Entities do not have the capability to directly check the client or other databases of any of the non-U.S. DTTL Member Firms or their respective affiliates or subsidiaries. However, notwithstanding the separateness of the DTTL Member Firms, as described below, the Deloitte U.S. Entities' checking procedures in bankruptcy cases do result in the gathering of certain information related to the DTTL Member Firms.

7. When any of Deloitte LLP's operating affiliates, such as Deloitte Tax, is to be the subject of an application to be retained in a chapter 11 case, a process commences regarding checking connections to the debtor, its affiliates and the debtor's parties in interest (as provided by the debtors). With the assistance of the Deloitte U.S. Entities' conflicts team (the "Conflicts Team"), a series of conflicts checking procedures are undertaken, including checking a number of Deloitte U.S. Entities' databases for their connections. Additionally, the Conflicts Team performs procedures to identify certain relationships of other DTTL Member Firms, as described below:

- (i) With respect to the debtor and debtor affiliates, the Conflicts Team will:
 - (a) Initiate cross border check requests to the DTTL Member Firm(s) where the debtor or debtor affiliate is domiciled (i.e., the country of incorporation or the entity's headquarters, as the case may be) based upon information provided by the debtors and research by the Conflicts Team of publicly available information. The DTTL Member Firm(s) will then search applicable local databases to identify client or non-client relationships in their jurisdiction (such as lender, vendors, business relationship entities or third parties associated with a client engagement).

- (b) Perform a search of the cross border conflict check requests the Conflicts Team has previously received from other DTTL Member Firms, which are submitted when a DTTL Member Firm seeks to commence an engagement with or involving a U.S. entity.³ This search is conducted to identify whether those prospective engagements involved the debtor or its affiliates domiciled in the U.S. as the engaging client or non-client relationship (such as business relationship entities or third parties associated with a client engagement).
 - (c) Perform a search of the database system associated with audit and other related independence requirements (the “Independence Database”) to identify possible connections with debtor and debtor affiliates with respect to whom such requirements are actually or potentially implicated. Each DTTL Member Firm is required to input its respective audit and attest clients into the Independence Database, and all DTTL Member Firms have access to the Independence Database.⁴ Each entity in the Independence Database has a designated partner who is responsible for approving and monitoring services for entities included in its corporate tree. The Independence Database includes audit and attest clients of the various DTTL Member Firms, as well as certain other non-clients thereof.
- (ii) With respect to the debtor’s parties in interest, the Conflicts Team will:
- (a) Perform a search of the cross-border conflict check requests the Conflicts Team has previously received from other DTTL Member Firms (described above) to identify whether those prospective engagements involved a U.S.-domiciled party in interest as a direct attest or litigation client or business relationship entity.
 - (b) Perform a search of the Independence Database to determine whether a party in interest is identified therein.

8. Based upon the foregoing, it is my understanding that the overall design and implementation of Deloitte U.S. Entities’ current procedures provide a reasonable level of comfort that relationships and potential conflicts related to a debtor will be identified.

³ These cross-border conflict check requests are pursuant to a policy adopted by DTTL Member Firms.

⁴ Inputting audit and attest clients into the Independence Database is a policy followed by DTTL Member Firms so that such relationships are tracked in connection with such firms’ independence requirements.

C. *Disinterestedness of Deloitte Tax.*

9. Subject to the foregoing, except as set forth herein and in the attachments hereto, to the best of my information, knowledge, and belief based on reasonable inquiry: (a) neither I, Deloitte Tax, nor any partner, principal, or managing director of Deloitte Tax that is anticipated to provide the Services for which Deloitte Tax is to be retained (the “Deloitte Tax Engagement Partners/Principals/Managing Directors”) holds any interest adverse to the Debtors with respect to the matters on which Deloitte Tax is to be retained in their Chapter 11 Cases; and (b) Deloitte Tax has no relationship to the Debtors, their significant creditors, certain other parties-in-interest, or to the attorneys that are known to be assisting the Debtors in their Chapter 11 Cases, except as stated herein or in any attachment hereto.

10. In connection with the Debtors’ proposed retention of Deloitte Tax in their Chapter 11 Cases, Deloitte Tax undertook searches to determine, and to disclose, whether it or its affiliates is or has been employed by or has other relationships with the Debtors or their affiliates, subsidiaries, directors, or officers, or any of the Debtors’ significant creditors, customers, equity security holders, professionals, or other entities with significant relationships with the Debtors (the “Potential Parties-in-Interest”), whose specific names were provided to Deloitte Tax by the Debtors, listed on **Schedule 1** attached hereto. To check upon and disclose possible relationships with significant Potential Parties-in-Interest in these Chapter 11 Cases, Deloitte Tax researched its client databases and performed reasonable due diligence to determine whether it or its affiliates had any relationships with the Debtors or their affiliates, subsidiaries, directors, or officers, or significant Potential Parties-in-Interest. The Debtors subsequently provided Deloitte Tax with supplemental lists of Potential Parties-in-Interest, and Deloitte Tax is in the process of conducting its conflict check procedures with respect to the additional names provided. Once those results

become available, Deloitte Tax intends to file a supplemental declaration to supplement the relationship disclosures made in this Declaration.

11. Deloitte Tax and/or its affiliates have relationships with thousands of clients, some of which may be creditors of the Debtors or other Potential Parties-in-Interest. Accordingly, Deloitte Tax and/or its affiliates have or may have provided professional services, may currently provide professional services, and/or may in the future provide professional services in matters unrelated to the Chapter 11 Cases to certain of the Potential Parties-in-Interest. Additionally, certain of these Potential Parties-in-Interest have or may have provided goods or services, may currently provide goods or services, and/or may in the future provide goods or services to Deloitte Tax and/or its affiliates and the Deloitte Tax Engagement Partners/Principals/Managing Directors in matters unrelated to the Chapter 11 Cases. A listing of parties with such connections to Deloitte Tax and/or its affiliates is attached to this Declaration as **Schedule 2**.

12. With respect to Deloitte Tax's conflicts checks conducted in these Chapter 11 Cases, if a database query identified a potential connection between a Potential Party-in-Interest and a Deloitte U.S. Entity or DTTL Member Firm, an email was sent to certain of the Deloitte U.S. Entity's and/or DTTL Member Firm's individuals, as applicable, associated with such Potential Party-in-Interest to confirm whether or not the relationship with such Potential Party-in-Interest related or currently relates to the Chapter 11 Cases. Responses to these emails were consolidated and subsequently reviewed. As stated in this Declaration, these processes result in the disclosures that are set forth herein, including the disclosure of certain connections with Potential Parties-in-Interest that do not relate to the Chapter 11 Cases. The identified potential connections to the Potential Parties-in-Interest are included on **Schedule 2** appended hereto, and such connections do not relate to the Chapter 11 Cases.

13. Deloitte Tax believes that the relationships described herein or reflected on **Schedule 2** have no bearing on the Services for which Deloitte Tax's retention is being sought by the Debtors in these Chapter 11 Cases. Furthermore, such relationships do not impair Deloitte Tax's disinterestedness, and Deloitte Tax does not represent an adverse interest in connection with these Chapter 11 Cases.

14. To the best of my knowledge, based on the searches discussed above, Deloitte Tax has determined that certain relationships should be disclosed as follows.

- a. Deloitte Tax and its affiliates provide services in matters unrelated to the Chapter 11 Cases to certain of the Debtors' largest unsecured and secured creditors and other Potential Parties-in-Interest or their affiliates listed on Schedule 2.
- b. Law firms identified on Schedule 2, including Gibson, Dunn & Crutcher LLP; Jones Day; Latham & Watkins LLP; Morgan Lewis and Brockius LLP; and Young Conaway Stargatt & Taylor, LLP, have provided, currently provide, and may in the future provide legal services to Deloitte Tax or its affiliates in matters unrelated to their Chapter 11 Cases, and/or Deloitte Tax or its affiliates have provided, currently provide and may in the future provide services to such firms or their clients.
- c. In the ordinary course of its business, Deloitte Tax and its affiliates have business relationships in unrelated matters with its principal competitors, which together with their affiliates may be Potential Parties-in-Interest in their Chapter 11 Cases. For example, from time to time, Deloitte Tax and one or more of such entities may work on assignments for the same client or may otherwise engage each other for various purposes.
- d. Certain financial institutions or their respective affiliates (including AIG Specialty Insurance Company; Allianz Global Risk US Insurance Company; American Express; Bank of America, N.A.; BMO; BNP Paribas; CVS – Caremark; Huntington National Bank; National Union Fire Insurance Company (AIG); PNC Bank; TD Bank; U.S. Bank; and Wells Fargo Bank) on Schedule 2 (i) are lenders to an affiliate of Deloitte Tax (Deloitte Tax is a guarantor of such indebtedness) and/or (ii) have financed a portion of the capital and/or capital loan requirements of various partners and principals, respectively, of Deloitte Tax and its affiliates. In addition, certain institutions or their respective affiliates, including Nuveen Asset Management, LLC, TD Bank, TIAA CREF Investment Services, and U.S. Bank provide asset management services for, and/or have a similar role with respect to investments of, certain pension, benefit and similar funds sponsored by affiliates of Deloitte Tax.

- e. Deloitte Tax and/or its affiliates have performed and may continue to perform professional services to certain Potential Parties-in-Interest that are contemplating a sale transaction with the Debtors during the Chapter 11 Cases, where such services are unrelated to the Chapter 11 Cases.
- f. Certain DTTL Member Firms have performed, continue to perform, and/or may in the future perform ordinary course professional services for certain non-debtor affiliates of the Debtors in matters unrelated to the Chapter 11 Cases. For instance, a DTTL Member Firm located in the People's Republic of China has provided ordinary course audit services for non-debtor Jo-Ann Trading Shanghai Co., Ltd.
- g. Certain Potential Parties-in-Interest may be adverse to and/or involved in litigation matters with Deloitte Tax or its affiliates in connection with matters unrelated to the Chapter 11 Cases.
- h. Deloitte & Touche and Deloitte Tax have provided and continue to provide certain audit services and tax services, respectively, to certain Potential Parties-in-Interest and/or their affiliates, in matters unrelated to these Chapter 11 Cases. In its capacity as independent auditor, Deloitte & Touche provides such clients with ordinary course auditing services and conducts typical audit procedures that may arise from such Potential Parties-in-Interests' business arrangements with the Debtors. Similarly, Deloitte Tax, in its capacity as tax services provider, provides such clients with ordinary course tax services which may arise from or reflect such Potential Parties-in-Interests' business arrangements with the Debtors.

Furthermore, through reasonable inquiry, I do not believe there is any connection between the personnel of Deloitte Tax or its affiliates who are anticipated to provide services to the Debtors and the United States Bankruptcy Judge presiding in their Chapter 11 Cases, the United States Trustee for Region 3, the Assistant United States Trustee for the District of Delaware, and the attorney therefor assigned to these Chapter 11 Cases.

15. Despite the efforts described above to identify and disclose Deloitte Tax's connections with the Potential Parties-in-Interest in the Chapter 11 Cases, because Deloitte Tax is a nationwide firm with thousands of personnel, and because the Debtors are a large enterprise, Deloitte Tax is unable to state with certainty that every client relationship or other connection has

been disclosed. In this regard, if Deloitte Tax discovers additional material information that it determines requires disclosure, it will file a supplemental disclosure promptly with the Court.

16. Except as may be disclosed herein, to the best of my knowledge, information, and belief, Deloitte Tax and the Deloitte Tax Engagement Partners/Principals/Managing Directors do not hold or represent any interest adverse to the Debtors, and I believe that Deloitte Tax is a “disinterested person” as that term is defined in Section 101(14) of the Bankruptcy Code, as modified by Section 1107(b) of the Bankruptcy Code.

17. As set forth more fully in the Engagement Agreements, Deloitte Tax has agreed to perform certain tax advisory services for the Debtors in accordance with the terms and conditions set forth therein, as follows:

 - iv. Advise the Debtors on the tax attributes available to mitigate or absorb cancellation of indebtedness income (whether taxable or excluded from gross income under the insolvency exception).

 - vi. Advise the Debtors on US federal and state income tax consequences resulting from the sale of all or substantially all of the Debtors' assets in connection with these chapter 11 cases.
 - vii. Advise the Debtors on the state income tax treatment and planning for restructuring provisions in various jurisdictions including cancellation of indebtedness calculations, adjustments to tax attributes, and prior limitations on tax attribute utilization.
 - viii. Assist the Debtors in analyzing the historical net operating losses of the Debtors through historical tax filings to understand where the Debtors' historical net operating losses reside and whether any limitations on the utilization of such net operating losses exists.

- x. Assist the Debtors with understanding the historical outside stock basis in each of the Debtors' legal entities for the purposes of determining the approximate amount of stock basis that should be reported on tax basis balance sheets of the Debtors.
- xi. Advise the Debtors on income tax return reporting of these chapter 11 cases and related matters.
- xii. As requested by the Debtors and as may be agreed to by Deloitte Tax, assist in documenting as appropriate, the tax analysis, development of Debtors' opinions, recommendation, observations, and correspondence for any proposed debt restructuring or combination alternative tax issue or other tax matter described above.
- xiii. As requested by the Debtors and as may be agreed to by Deloitte Tax, advise the Debtors regarding other state, federal, or international tax (to the extent applicable) questions that may arise in the course of this engagement.
- xiv. Prepare and deliver a summary of Deloitte Tax findings, including the relevant and applicable analyses and workstreams.

Professional Compensation

18. Deloitte Tax's retention by the Debtors is conditioned upon its ability to be retained in accordance with its terms and conditions of employment, including the proposed compensation arrangement, set forth in the Engagement Agreements.

24. Some services incidental to the tasks to be performed by Deloitte Tax in these Chapter 11 Cases may be performed by personnel now employed by or associated with affiliates of Deloitte Tax, such as Deloitte & Touche, Deloitte FAS, DTBA, and Deloitte Consulting, or their respective subsidiaries, including subsidiaries located outside of the United States. For example, a portion of the Services will be performed, at Deloitte Tax's direction, by its indirect subsidiary, Deloitte Tax India Private Limited ("Deloitte Tax India"). A specifically assigned team of personnel from Deloitte Tax India will assist in the services under the supervision, and with the input, of personnel of Deloitte Tax. The hourly rates charged to clients by Deloitte Tax for services performed by Deloitte Tax India personnel are comparable to the market rates charged for similar services by Deloitte Tax, but do not directly correlate with the hourly rates attributed to such

services by Deloitte Tax India. The connections of Deloitte Tax India (along with the connections of Deloitte Tax and its other affiliates) to the Potential Parties-in-Interest searched by Deloitte Tax are set forth in **Schedule 2** to this Declaration.

25. Deloitte Tax intends to file interim and final fee applications with the Court for allowance of compensation and reimbursement of expenses consistent with the terms of the Engagement Agreements, the Application and this Declaration, the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the applicable U.S. Trustee guidelines, and the orders of this Court.

26. Deloitte Tax requests that it be permitted to submit monthly invoices for services rendered and expenses incurred under each Engagement Agreement. Such invoices will contain reasonable detail consistent with any rules, guidelines and/or administrative orders promulgated by the Court that apply to these Chapter 11 Cases. Deloitte Tax requests that the invoices, after appropriate review, be paid in a manner consistent with the payment of other retained professionals in this matter, consistent with any administrative orders, if any, that would apply to interim payments. I understand that all payments rendered pursuant to Deloitte Tax's retention by the Debtors must be approved by an order of this Court, and based upon the filing by Deloitte Tax of appropriate interim and final applications for allowance of compensation and reimbursement of expenses.

27. Prior to the Petition Date, Deloitte Tax provided professional services to the Debtors. In the ninety (90) days prior to the Petition Date, Deloitte Tax received approximately \$935,564, including \$50,000 in retainer amounts, for services performed and/or to be performed prior to such date. As of the Petition Date, no retainer amounts remained, and no amounts remained outstanding with respect to services performed by Deloitte Tax prior to such date.

30. Prior to the Petition Date, Deloitte FAS provided professional services to the Debtors. In the ninety (90) days prior to the Petition Date, the Debtors paid Deloitte FAS approximately \$2,015,028 for services performed prior to such date. 31. Deloitte Tax has received no promises regarding compensation in these Chapter 11 Cases other than in accordance with the Bankruptcy Code and as set forth in this Declaration. Deloitte Tax has no agreement with any nonaffiliated or unrelated entity to share any compensation earned in these Chapter 11 Cases.

No Duplication of Services

32. To my knowledge, the services Deloitte Tax provides to the Debtors will not duplicate the services that other professionals will be providing to the Debtors in these Chapter 11 Cases. Specifically, I believe that Deloitte Tax will perform unique services and will use reasonable

efforts to coordinate with the Debtors to avoid the unnecessary duplication of services by any of the Debtors' other retained professionals.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.
